

The 2012 Ghost Ranch Workshop at Ghost Ranch this year is titled "Making it My Way." We have a program of six artists who will be presenting short lecture/demonstrations: Arthur Gonzales, Alex Kraft, Betsy Williams, Frank Willett, Mario Quilles, and Debra Fritts. See our website at <http://nmpca.onefireplace.org/GhostRanchWorkshop2012> for the details. Dates are: September 21-23, 2012.

The picture above is the panoramic photograph below that I took myself at the Ranch, then modified using the paint filter in Photoshop. I think it is totally appropriate for a workshop on "Making it My Way". We expect that these presenters will give us new ways at looking at how we may our own clay creations.
